If you have a project which necessitates a larger amount (up to £500), do contact the CAG East Devon Project Coordinator to discuss this. Only £300 will be awarded to any group in any financial year.

## The application process

The process has been designed to be 'light-touch.' A representative of the group will complete and sign the 'Small Grants Application Form' and confirm they have read the accompanying 'Small Grants Fund Guidelines.' The signatory must be a person who holds responsibility for the group and/or their fiscal responsibilities.

The form will be returned electronically to CAG Devon. The group must be a constituted group.

The applications will then be reviewed by an informal panel, either in person or via email with a deadline for response.

## Awarding a payment

Once the decision-making process has been completed the East Devon Project Co-ordinator will complete and sign the relevant section of the 'Small Grants Application Form'. The form will be authorised and countersigned by the CAG Devon lead.

Funds will be paid to a registered charity or organisation via BACS. Relevant evidence (quotes, receipts and photos) must be provided.

## Monitoring and evaluation

Once the funds have been spent, grantees are obliged to complete our [Small Grants Evidence Form](#). A short-written summary of how the money was spent, who benefited and future plans with a minimum of 2 photos or a short video must also be emailed to the East Devon CAG Lead except in cases whereby this is deemed unnecessary, or the group is of a sensitive nature and photos would be inappropriate.

This written report must be submitted within 3 months of the grant award.
